

10th International Veterinary Simulation in Teaching (InVeST) conference

21st – 23rd APRIL, 2027

About

InVeST conferences provide an international forum for learning and networking among researchers, developers, and educational institutions on the rapidly growing use of simulation and other new technologies in veterinary education, while encouraging research regarding its use and effectiveness. The number of attendees and countries they represent has grown significantly, and this is the first time the conference has been held in Asia!

Join us at City University of Hong Kong, home of the first dual internationally accredited veterinary program in Asia, holding accreditation with both the RCVS and AVBC.

Hong Kong is very well connected to international destinations with frequent and affordable flights. **Come and join us and share your latest innovations in simulation training, communications, and research!**

Conference areas of interest

In recognition of the diversity of simulation in teaching, we welcome submissions in areas such as, but not limited to:

- Small animal and exotics models
- Large animal models
- Virtual, game-based and e-learning
- Communication
- Teaching methods
- Assessment, feedback and student progression
- Faculty development
- Curriculum design
- Diversity, equity, inclusion and belonging

Call for workshops

If you are interested in facilitating a workshop or interactive session on Day 1 of the conference, please submit your interest [HERE](#) by **31st August 2026**:

Key information:

- Workshops and interactive sessions will be held on Day 1; Wednesday 21st April
- 90–120-minute duration

Jockey Club College of Veterinary
Medicine and Life Sciences

香港城市大學
City University of Hong Kong
in collaboration with Cornell University

- Facilitators should aim to foster participant engagement and interaction around the topic using hands-on activities, demonstrations or discussions
- Include the following in your submission:
 - Workshop or session title
 - Facilitator list (please include name, contact, degrees/certifications, title, institution, and short bio of 150 words or less)
 - Brief abstract describing the proposal topic (400 words max)
 - 1-3 learning objectives and a summary of activities that will take place during the session
 - Facilities required
 - Maximum number of participants per session

Call for presentation and poster abstracts

To be considered for a talk or poster, please submit your abstract [HERE](#) by **30th November 2026**:

Key information:

- Talks and poster sessions will be held on Days 2 & 3; Thursday 22nd & Friday 23rd April
- Talk duration: 12-minutes + 3-minutes questions
- Posters: interactive poster session plus 1-slide presentation (2-minutes)
- Include the following in your submission:
 - Title
 - Presenting author
 - Author list
 - Author affiliations
 - Abstract (maximum 400 words)
 - We suggest you include background, summary of work, results (if applicable), take home messages

Any questions, please let us know via email invest.2027@cityu.edu.hk

Further information is available on our [conference website](#)

The banner features logos for CityU, Jockey Club College of Veterinary Medicine and Life Sciences, and Cornell University on the left. In the center is the 'InVeST CONFERENCE 2027' logo with a cartoon rabbit and the text 'CityU Hong Kong # VetEdBreakthroughs'. On the right, contact information is provided: an email icon followed by 'invest.2027@cityu.edu.hk' and a globe icon followed by 'www.cityu.edu.hk/jcc/investconf2027'. The main title 'International Veterinary Simulation in Teaching Conference' is prominently displayed in the center-right, with the dates 'Date: 21st to 23rd April 2027' below it.
